Lions of Africa – Les Lions d’Afrique du Sénégal, S.U.A.R.L is a company of artistic productions dedicated to the promotion of the West-African culture through music and dance. To learn more visit our website. www.lionsofafrica.com

A Captivating show.

The musicians magically transport you to the magnificent sandy plains of the western Sahel. The Sabar drums will announce your arrival to the village, and the dancers shall tell you the stories that have forged their nation. The show is usually performed with 16 marvellous artists.

The Lions play traditional west african instruments, such as the sambar, or the Khine, to name a few.

The team around Africa Love are SO ready for our new upcoming events;

Members from Lions of Africa from Dakar Senegal will arrive in Trondheim these coming days.

Finally! I want to thank DKS in Sor-Trondelag fylke with Oyvind Anda and Transform Trondheim

World Music Festival with Hill-Aina Steffenach for bringing us to Norway and a 3 week long tour.

The media in Senegal are writing about it and will cover the whole trip and the President of Senegal as well as the cultural ministry will be involved in it. The same with Youssou N'Dour.

We're looking forward to come back to beautiful Norway in January 2015. Any warm clothes will be appreciated...brrrrrr. Senegal 28 - Norway -8
