

## Reference

To whom it might concern:

The Senegalese dance & theatre company "Lions of Africa" participated in the 2008 edition of Festival "De Oase", during the "Vierdaagsefeesten" in Nijmegen / Netherlands. This festival took place in the period 18 - 24 July 2008.

We were very satisfied about their performance. It was quite a big spectacle and they got much response from the audience.

Best regards,

Rien Groenewegen
