

Letter of Recommendation

To whom it may concern

Syd-Kvadraturen VEL is the largest Neighborhood association in Norway.

In connection with arranging the midsummer night the 23rd of June 2012, the Senegalese Dance and Theatre Company Lions of Africa, participated from 6.30 to 6.45 p.m. and made great admiration among the attendances.

We can give the group the best recommendation.

Kristiansand, 28.6.2012

Med vennlig hilsen / Yours sincerely
